How to bid on the MMFAS 2026 Fall auction

In your browser, go to https://www.32auctions.com/MMFAS_Fall2026

This takes you to the main MMFAS auction page. From here, you can view any of the cards offered by clicking the green “View All Items” button. To see details and a larger image of any card, click on the picture of the card. A blow-up view is available. Note: There are over 80 cards in the auction, so the list is displayed on two pages.

You don’t need a 32 auctions account to view cards, but you will need one to bid. The wide blue stripe at the top of the page shows a link to log in with an existing account, or create an account. For new accounts, 32 Auctions will ask you for an email address, your name and a new password. You will receive an email notification if you've been outbid.

Back in your browser, click the login button in the upper right. Enter your email address and your new password. Listed in your current auctions is the link to the 2025 MMFAS Spring auction. Click on it to access the items and place a bid. You can enter your bid price as an exact bid or proxy bid. Click on "Continue to place my bid". You will be asked to confirm your bid. Your bid will now display in the bidding history for that item, and it will contribute to the auction total.

The auction will send you an email confirmation of your bid.

When you win a bid at the end of the auction, you will be prompted to complete the purchase. You can pay through PayPal, Credit or Debit card. Text me at 636-692-3433 or email me at mdeaguero@mmfas.com to arrange for pickup or delivery of your winning card. If you have any questions, please text me at 636-692-3433 or Fatemeh Nichols at 636-399-2737.

Good Luck and happy hunting!
