

How to bid on the MMFAS 2024 Fall auction

In your browser, go to <https://www.32auctions.com/mmfascardauction2024>

This takes you to the main MMFAS auction page. From here, you can view any of the cards offered by clicking the green “View All Items” button. To see details and a larger image of any card, click on the picture of the card. A blow-up view is available.

You don’t need a 32 auctions account to view cards, but you will need one to bid. The wide yellow stripe near the top of the page shows a link to log in with an existing account, or create an account. For new accounts, 32 Auctions will ask you for an email address, send an activation message to that email, and ask you for your name and a new password.

Back in your browser, click the login button in the upper right. Enter your email address and your new password. Listed in your current auctions is the link to the 2024 MMFAS auction. Click on it to access the items and place a bid. You can enter your bid price as an exact bid or proxy bid. You will be asked to confirm your bid.

The wide green bar will notify you of your bid, send you an email notification, and ask you if you want text notifications to let you know about any outbids on your item by phone text message.

If you choose the buy now option, or if you win a bid at the end of the auction, you will be prompted to complete the purchase and select either an “In-Person Pickup” option (cheaper for the club) or a “shipping to anywhere” option (the club pays for shipping).

You can pay through PayPal, Credit or Debit card. If you have any questions, please call me at 636-692-3433 or Fatemeh Nichols at 636-399-2737.

Good Luck and happy hunting!

Miguel de Agüero
