Judging Guidelines

Art Show Theme: _____ **Date:** _____

Show Chairperson : _____ **Show Judge:** _____

Please assign a First, Second, Third place, and at least one Honorable Mention award. Judging criteria should include completion of the MMFAS judging rubric for each piece of art in the show. The final assignment of the awards should reflect the combination of the judging rubric scores and the judge's personal feelings on the art.

Participating artists are allowed to enter from one to three works. The labels indicate a number and a letter (A, B, C) designating the artist and their number of entries. For Example, John Smith is the twelfth artist to enter the show and he enters three works. So, his artwork is designated as 12A, 12B, 12C. Please do not reward an artist with two or more awards. Should you have any questions, please don't hesitate to ask the show chairman, however, he/she can only answer questions that maintains the anonymity of the judging process.
