I understand that I will abide by the rules and responsibilities listed below:

- Each artist location needs to have a "Washington Art Walk" sign posted at the location that is hosting them. These signs are to be picked up at the Room For Art Gallery (RFAG) and displayed at your host location prior to the Art Walk. After the Art Walk, you must return the signs to RFAG at 124 West Main in Washington, MO.
- During the Art Walk, each host should have a yellow helium-filled balloon outside of the entrance. The balloon should be there during both days of the event. A second balloon may be positioned at your location in the space to draw attention to your display.
- Connect with your host. Make sure they know you and you know where they plan to position you and your art in the space. This should be done early in your planning process.
- You will need to collect about 10 of the map/fliers for your location. The RFAG will have an adequate supply for the map/fliers on hand. Post one at your station and place the remainder on your table for customers to pick up.
- Share and promote your participation in this event on social media and by word of mouth. Make sure your friends and family are aware of the event and your participation in it.
- Keep in mind that you are responsible for collection Washington sales tax (8.85%) for any sales of your artwork.
- Good luck to all of you and have fun.
