

Our Mission

The Mid-Missouri Fine Arts Society (MMFAS) began in 1974 to promote and contribute to the interest of original fine art and to encourage and promote learning in the visual arts.

Who We Are

Our members are artists and interested creative people living in Franklin County Missouri and the surrounding area. MMFAS was founded in 1974 by Father Anthony Bukauskas.

Visitors are always welcome to our meetings held on the third Monday of every month. There are no meetings in the months of June, July, or August.

Mid-Missouri Fine Arts Society is a non-profit organization.

Our Purpose

We aim to inspire creativity, enrich local culture, and create meaningful connections.

Our Goal

Our goal is to cultivate a deep connection between you, the arts, and the community with experiences that leave you inspired.

- **Inspire Creativity** – We encourage artistic exploration through artist showcases, introduction and exposure to visual, performance, and literary art, and a growing synthesis of different artistic disciplines
- **Enrich Local Culture** – We elevate cultural experiences and strengthen community connections through meaningful engagement with the arts. Some examples of our enriching experiences include art exhibits, live theater, dinner and discussion with New York Times best-selling author, candlelight concerts, evening with the artist, poetry workshops, culinary experiences, photography exhibits, etc.
- **Create Meaningful Connections** – We build opportunities for collaboration, storytelling, and artistic growth that shape a thriving creative landscape.
